

# **RUNTRU**™ **BY TRANE**®

**DESIGNED TO PERFORM. BUILT TO LAST. BACKED BY TRANE.®**

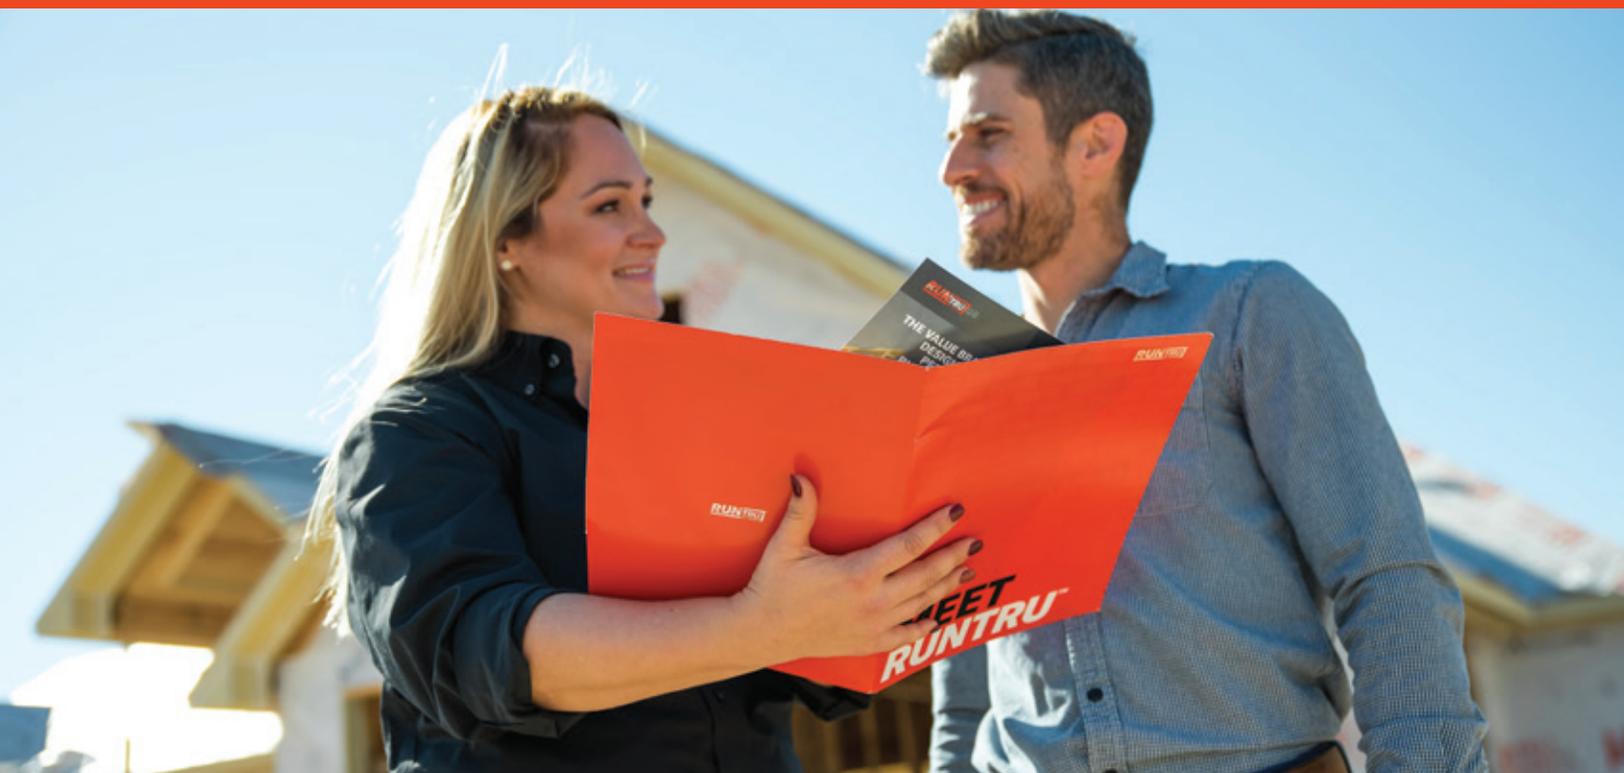

FOR MORE INFORMATION, GO TO [RUNTRU\*\*HVAC\*\*.COM](http://RUNTRUHVAC.COM)

## ***Why RunTru?***

For decades, Trane® has earned a reputation for high-end, reliable engineering in heating and cooling equipment. And while we pride ourselves on that, we understand that ***not every homeowner, builder or property manager needs all the bells and whistles.***

With the Trane brand behind it, RunTru™ brings you an HVAC product that's ***easy to install, built to last*** - which can mean ***fewer call backs*** and ***less maintenance*** - and ***is affordably priced.***

## ***NEED MORE?***

Search for a specific product sell sheet by searching the publication number found in the bottom corner of any sell sheet found in this guide.

# BIG CHANGES HAPPENED IN 2020.

The RunTru® by Trane® product line-up went through many changes this year. The biggest changes are outlined below to help you quickly understand the differences and adjust accordingly.

Reach out to your distributor if you have specific questions about your unique offering.

## **NEW** 16 SEER OUTDOOR SERIES UNITS.

You'll now see NEW 16 SEER products offers for both Air Conditioners and Heat Pumps. Seven new models are now available for Heat Pumps, and nine new models for Air Conditioners.

## **NEW** AIR HANDLER UNITS.

The new TMM4 and TMM5 replaces the GMU/V. This unit is designed to fit smaller spaces and tighter applications and can be mounted on studs or over the hot water heater. The A4AH6 models (16 SEER Air Handlers) Made in Vidalia were added as well.

## **NEW** COIL.

RunTru's previous coil offering has been replaced with the 4MXC, available in 11 different model types.

## **NEW** INFORMATION ON "ASSEMBLED IN THE USA" CLAIMS

No RunTru products qualify for the claim "Made in America." Do not make this claim or similar claims such as "Manufactured or Produced in the USA." Do not imply this claim by using images such as American flags or maps of the United States. Certain RunTru products do qualify for "Assembled in the USA." (See below)

Because we have a mix of assembled and sourced products, we cannot make unqualified statements about the brand. You cannot say the following: RunTru products are Assembled in the USA.

### ASSEMBLED IN THE USA:

#### AIR CONDITIONERS:

Assembled in Tyler, TX

<b>13 SEER</b> A4AC3	<b>14 SEER</b> A4AC4	<b>16 SEER</b> A4AC6

All models feature 3/8" Liquid Line

## NOTE

Note: Odd-number capacity in the model number, for 2.5 ton and below, indicates smaller-footprint outdoor unit options that still meet minimum efficiencies with AC/Coil/Furnace and HP/AH systems. Visit [AHRI.net.org](http://AHRI.net.org) and [Comfortsite®](http://Comfortsite®) to verify system match ups.

For example:  
A4AC3023A1000A  
or

# DUCTLESS SYSTEMS

115 VOLT SINGLE ZONE

Hand held remote includes many features like, I-Feel, X-Fan, and Sleep Mode.

- ▶ Available for installations in all regions (20-22 SEER)
- ▶ 9000 & 12000 BTUH models available
- ▶ Quiet indoor operation (28-36db)
- ▶ Hand held remote controller included
- ▶ Inverter driven (Variable Speed Compressor)
- ▶ Blue Fin Coastal coating
- ▶ Energy Star Certified (9000 BTUH system only)
- ▶ AHRI Certified

## WARRANTY

### What is the RunTru Warranty?

RunTru's new warranty options are as follows, a 5-year limited warranty for functional parts, a 10-year warranty for functional parts with registration, and a 20-year warranty for heat exchanger.

### Can the RunTru warranty be registered for coverage to begin on the actual install date of equipment?

Yes.

### How is the installation date determined for the RunTru warranty?

The Commencement Date for a limited warranty period shall be the date that the original installation is complete and all Product start-up procedures have been properly completed and verified by an installer's invoice. If the installation and start-up date cannot be verified by the installer's invoice, the Commencement Date shall be 60 days after the factory manufacture date which is verified by the Product serial number. Where a Product is installed in a newly constructed home, the Commencement Date is the date the Purchaser purchased the residence from the builder. Proof of Product purchase, installation, and/or closing date of the residence may be required to confirm the Commencement Date.

## MARKETING

### Who is the RunTru customer?

RunTru is intended to be a dependable product at an affordable price point. Customers for RunTru are customers that would otherwise choose another brand over Trane because of price and are not willing to pay for premium features and the most reliable brand.

### What Marketing materials are available for RunTru?

A variety of marketing materials are available on MAX or for print/download from the MRC, such as consumer brochures, dealer guides, sell sheets and more.

### Will we allow private labeling?

Talk with your distributor to learn more about your unique co-branding opportunities.

### Will RunTru merchandise be available?

Yes, please visit: [runtrubrandstore.com](http://runtrubrandstore.com)

## PRODUCT

### **Are there RunTru furnaces that are compliant with California 40 ng/J low NOx requirements?**

Yes. All RunTru A95 furnace models are compliant, and A801X models with a "T" in the 12th digit are compliant.

### **Are the A951X and A952V families be ENERGY STAR® rated?**

Yes. Both of the RunTru condensing furnace families are ENERGY STAR certified.

### **Do the coils require a heat shield when used with the RunTru furnaces?**

No. 4MXC coils have a high temp drain pan. No heat shield is required when used with RunTru furnaces.

### **Do the RunTru furnaces have AHRI ratings?**

Yes. All three furnace families are rated in AHRI with the new RunTru coil and outdoor families.

### **What do you mean by "fixed speed" indoor units?**

"Fixed Speed" refers to Single Speed or non variable speed motors.

### **Will 3 phase equipment be a part of the RunTru lineup?**

Not at this time. There will be a consideration for adding if the competitive 3 phase value segment starts to become more competitive.

### **Are bolt on TXVs available as an option?**

All factory installed orifices or TXV will have mechanical connections. Coils and Air handlers will also have add-on TXV kits available.

### **Are variable speed air handlers available with RunTru right now?**

We have no variable speed air handlers at this time, however, we are launching a 16 SEER RunTru offering which will have variable speed.

### **Are the indoor units factory-branded?**

All RunTru furnaces and multi-poise air handlers will come with the "RunTru by Trane" brand label conveniently located in the document package.

## SUPPORT

### **When will replacement parts lists be available?**

Replacement parts lists are available on Comfortsite/Webcats and accessible on Trane360
